

NEW CLUB JOINS THE GFSFL

14 July 2020

Following completion of the affiliation paperwork with Hampshire FA, and subject to formal admittance by the GFSFL which is expected to be a formality, Hill Head F.C. have joined the growing number of clubs who will be participating in the GFSFL for the 2020/21 season.

Hill Head F.C. are likely to be placed in Division 3 of the GFSFL and are hoping for a successful 2020/21 season. The Club Secretary confirmed to GFSFL: -

"The club have a few players who've played in the GFSFL before but it's largely a new group of lads. If we can as a group lean on the experience of some of

the players who've played in the GFSFL before, I'm confident the club can push the leaders for promotion to Division 2 and have a decent cup run."

The GFSFL Management Committee are absolutely delighted to welcome Hill Head F.C. and look forward to working with them over the coming season.
