Gosport, Fareham and Solent Football League

Formed 2013

The League

Brief Summary

Gosport, Fareham and Solent Football League, formed 2013, Affiliated to the Hampshire Football Association Limited and a member of the Portsmouth Divisional Football Association.

This season the Gosport, Fareham and Solent League has 26 Clubs / 31 Teams divided into Three divisions, ten team teams in Division One and Division Two and eleven teams in Division Three.

Location

Based in Gosport, Hampshire, England with Clubs accepted within a 10 mile radius.

Brief History of the League

The League was formed in 2013 from an amalgamation of the Gosport and Fareham League and the Solent Football League.

Brief History of Gosport and Fareham League

In 1904 The Gosport District League was formed and later became known as the Gosport and Fareham League.

Brief History of Solent Football League

The League called the Solent Premier League and was not affiliated to any associations, was formed in 1987 from Clubs of the Friendly League that started in 1971.

In 1995 the League applied for affiliation to the Hampshire Football Association who asked the Portsmouth Football Association to vet our application. It was suggested by the PFA that the League become the Solent Divisions of the Gosport and Fareham League.

In the 1995/6 season the Solent Premier League became the Solent Divisions of the G & F League. After two seasons the Solent Divisions decided to once again apply for affiliation, as the Solent Football League, to the HFA.

The application was successful and led, in the 1997/8 season, to the League's membership of the PFA now called the Portsmouth Divisional Football Association (PDFA).

VILLAGE HOME F.C.

FORMED 2009

Club History:

The Village Home Team was formed in 2009 and entered division 4 finishing mid table. In 2010/11, the team made amazing progress gaining promotion and coming runners up in the Fareham Cup. The following season saw another promotion to Division 2. In 2014/15, a reserve team was added and the original team began their first season in Division 1 and had a great season winning the Hampshire A Cup. The reserve team did not continue but the first team went on to prosper in 2016/17 winning the League Division 1 and the Gosport War Memorial Cup. 2018/19 was the most successful season, retaining the League and winning 3 cups, The Portsmouth Cup, the Gosport War Memorial Cup and the John Norton Cup. At the end of the season, for one reason or another, most of the team and management left the club. On the eve of the 2019/20 season, Paul Clark took over the reins and somehow managed to get a team together and be competitive. The 2020/21 season saw a mixture of young and veteran players coming together and winning the Cup final. This season has seen the team stabilise even more, bringing in some bright, young faces as we hope to get some silverware after missing out last season.

We are looking forward to a good competitive game today.
